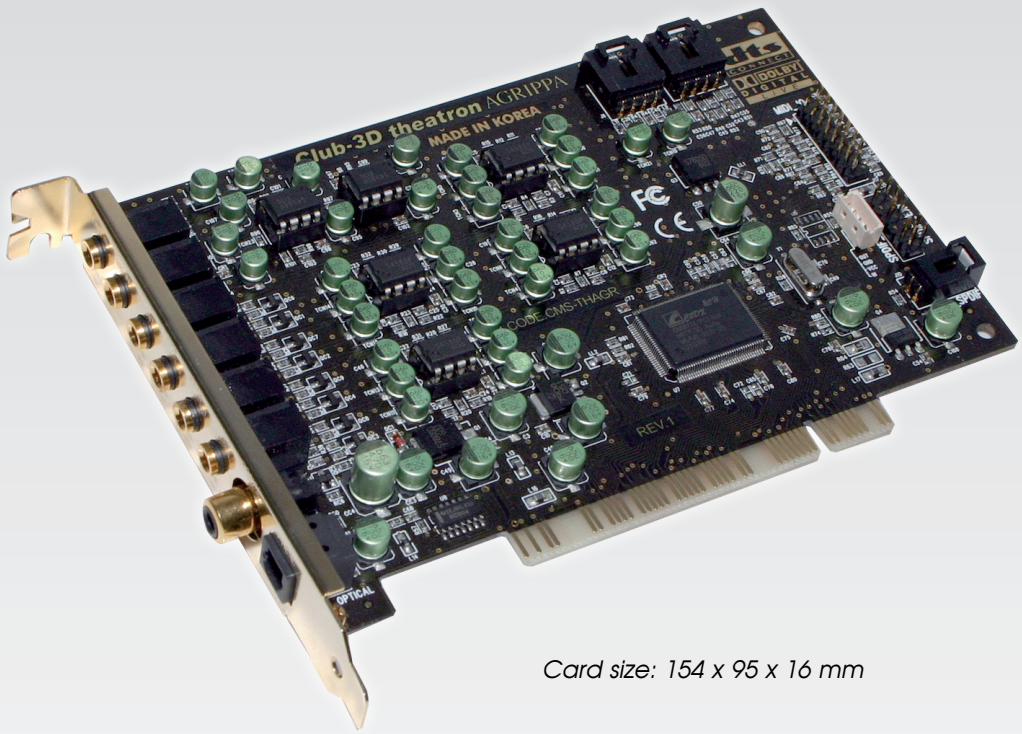
INCLUDED
Digital S/PDIF
Toslink Cable

The Theatron Agrippa soundcard is designed for the audiophile PC consumer, looking for the best sound and an extreme surround sound experience. With the Theatron Agrippa you are used to enjoy high-resolution digital audio while playing games, listening to music or watching movies. Featuring Optical and Coaxial Digital output and a set of eight discrete analogue outputs which fully support 7.1 surround sound and allow you to transfer digital audio data to external amplifiers without the loss of audio quality. The digital real-time features DTS Connect and Dolby Digital Live deliver a high fidelity surround sound environment. With the Theatron Agrippa you have the capability to upgrade your PC to a high-quality Home Entertainment Center.



Card size: 154 x 95 x 16 mm
